Date: Session:
Name and class:
Members of the group:

0/ Used webpages

1/ Exoplanets types: https://exoplanets.nasa.gov/what-is-an-exoplanet/planet-types/overview/
Watch the video (use subtitles), read the information and give the name and characteristics of each type of exoplanet; give some names of exoplanets of each type and how far away they are.

2/ Mission Zero Challenge (https://astro-pi.org/mission-zero/)
"Young people write a simple program to take a humidity reading onboard the International Space Station and communicate it to the astronauts with a personalised message, which will be displayed for 30 seconds!"
(https://projects.raspberrypi.org/en/projects/astro-pi-mission-zero)
Follow and complete the task proposed in the different steps of the challenge; write below a heading with the title of every step and a brief summary of the work done.
