NAME: Carla Herrera Fernández

25th OCTOBER

Write a "spooky" story (120-150 words). You can start your writing using ONE of these options:

- a) It was midnight when I heard the voice of a child screaming.
- b) It was a dark night and everybody was in bed.
- c) Last year I saw a ghost.

It was a dark night and everybody was in bed when I heard the voice of a child, so I rushed to my brother's room to see if it was him but he was sleeping. I was quite confused and scared but I had to go to bed because the next day I had a really hard exam.

It was morning, I woke up early to study then I got ready and went to school.

It was time for the exam, I was really nervous and I couldn't stop thinking about the boy's voice. What made it even more scary was that it was Halloween. I kept hearing him throw out the day for a whole week but then it stopped.

Since then this has happened every Halloween, each year his voice changes just like if he was growing and each year I heard him he was a year older.
