Write a "spooky" story (120-150 words). You can start your writing using ONE of these options:

a) It was midnight when I heard the voice of a child screaming.

b) It was a dark night and everybody was in bed.

c) Last year I saw a ghost.

Last year I saw a ghost ... This is not a normal story, it is a frightening story about my past. In 2020 my uncle died. He was more than an uncle, he was my friend. When he pass away I felt very bad because I couldn't see him anymore. But, last year something incredible happened.

I was trying to fall asleep when I heard a strange noise. It was like wind ____ inside the house. "It isn't possible." - I thought but, it was. I got up to see what happened. Suddenly, somebody touched my shoulder. Who it was? Everyone was sleeping. In front of me appeared a ghost, he looked similar to my uncle, very similar. My heart went faster and faster and then, I screamed. I went up stairs and I laid down in bed.

I woke up next morning, nobody believed me when I told what happened. Maybe was a nightmare or maybe was real. Nobody will never know it.
