- It is dark outside.*
- I am at home and hear a strange noise.*
- My family and I are spending a night in a frightening hotel.*

I am at home and hear a strange noise, all my family is out shopping, my mom left me a note on the freezer, she said they will be back by 9PM. The noise just woke me up. It's 4PM, because I was home alone, I invited some friends over, but nobody answered, I didn't think anything of it, I checked the time and date, it was the 31st of October, Halloween, I decided to go out to get some treats, but everything was closed no one was out and that's when I realized. I'm alone. I decided to go back home to sleep and end this nightmare, I got home ate and went to sleep.

The next day I woke up by a strange noise, again, no one was home and my mom's note was still there. I checked the time, it was the 31st of October at 4PM.
