<p>Guidelines, resources and materials for the Language Assistant</p>	<p>This was the previous language assistant's schedule. Lunch was from 12-12:30. The time slot is 14 hours a week, not working Mondays. The school tries to give a day off, like Friday or Monday.</p> <p>The language assistant is expected to create worksheets, kahoots and other activities in relation to lessons and also interact with teachers for preparation.</p> <p>This is an example of kahoot: https://create.kahoot.it/share/materials-primero/0f73ed58-6927-4295-80cb-18e9515ec1fd</p>

<p>Information about the town and/or neighborhood</p>	<p>The school is in La Mojонера, a small town about a ten-fifteen minute drive from the beach in Roquetas de Mar. There is a supermarket, pharmacy and bus services within walking distance of the school. There are several cafés in the área. La Mojонера is a family oriented town consisting of small homes and local businesses. There are Facebook groups for language assistants in Andalucía.</p>
<p>Getting to school</p>	<p>If the language assistant lives in Roquetas de Mar, there are teachers living in the área who can drive them to and from school every day. There are also bus routes from these two places. To take the bus from the school to Roquetas, it takes about an hour, costs €2,70- between two buses- and the bus leaves Roquetas at 9.30 and leaves La Mojонера at 14:30. You can get a bus car to spend less money on buses.</p> <p>It's much better to live in Roquetas than Almería or La Mojонера. Buses usually leave Roquetas every hour but they are not always on time. It's best to leave 10 to 15 minutes before the schedule bus time.</p>
<p>Accommodation</p> <ul style="list-style-type: none"> - Where to live in town? - Possibility of staying with a family? - Possibility of sharing a flat with teachers? 	<p>The possibilities are: Roquetas de Mar, Aguadulce or Almería</p> <ul style="list-style-type: none"> - Roquetas de Mar: it is the closest city from school (10-15 minutes, and the cheaper one). There are teachers living here to carpool. - Aguadulce: it takes 20 minutes from school, this city is more populated and has more clubs for dancing. There are teachers living here to carpool. - Almería: it is the biggest city and it offers more activities to do. But it is hard to find people to carpool and more difficult to commute to school location. <p>The general price for flats in that area range from €350 to €500 a month in Roquetas de Mar or Aguadulce. The best tool to use would be “idealista” or “fotocasa”, there are also group chats on Facebook for housing. You can also email the coordinator for assistance in finding accommodation. It is deeply recommended to come with savings prepared to Andalucía provinces as it has had payment problems in the previous years.</p>
