

OUR SCHOOL

OŠ Jabukovac

OŠ Jabukovac – Zagreb

Our school was built over 70 years ago.

We are a small school of around 250 students.

Our school is one of the smallest elementary schools with classes from an average of 16 to 20 students.

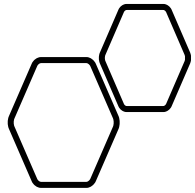

It was one of the first schools with digital -register.

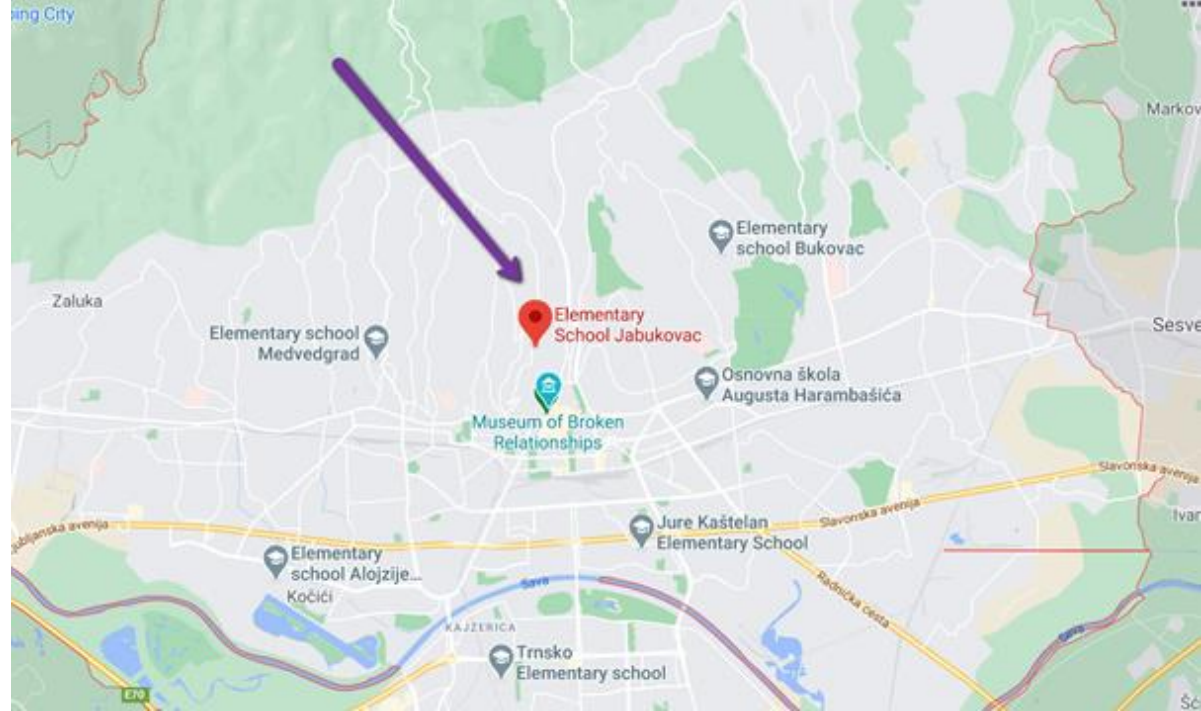

We live in the capital city of Croatia,
Zagreb.

Around 800 000 people live in Zagreb.

We are situated in a beautiful scenery surrounded by forest, in a quiet and enjoyable part, just minutes from the center of Zagreb.

Our desire is to work with parents contributing to create a positive mood of each of our students in order to make the school safe and stimulating place for its further growth and development, strengthening its competence and confidence and trust in life.

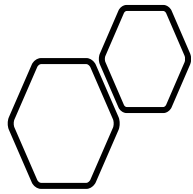

Beyond curriculum

Learning is influenced by a clear sense of purpose, whether within the routine of lessons or on many trips and visits which take learning outside of the classroom; We participated in the projects „THINK GREEN“, „SCIENTIFIC PICNIC“, „ EDUCATIVE PATH“

We are an eco-friendly school.

ECO-FRIENDLY SCHOOL

In our school there is
na Eco group – 1
student from each
grade.

We work on saving
and taking care of
nature and animals.

We discuss and
debate about Eco-
rights take trips to
nature, and organize
Eco Days.

Eco Group

National Apple Day

We picked apples at the apple plantage and prepared traditional apple strudel.

Nestlé for Healthier Kids

Our students participated in the Project Nestlé for Healthier Kids. They made a video "Vrtim(o) zdravi film,, and won the first prize.

<https://youtu.be/sP8TkKO5x1A>

In [Enzita.hr](https://enzita.hr) Kitchen Studio they learned how to prepare fast, nutritious meal in collaboration with Nestlé nutritionists.

Nestlé for Healthier Kids project provides nutrition education through school programs, as well as everyday tips and healthy recipes for parents.

The project promotes healthy and nutritious eating.

Our school – from
the inside

It has a big new school gym, big
hallway and a lot of classrooms.

Our school is well-equipped and we have smartboards in many classrooms.

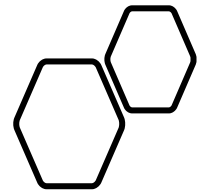

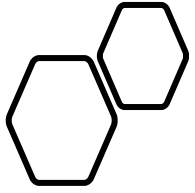

Our school – from
the outside

There is a big outdoor
playground with a basketball
and football courts.

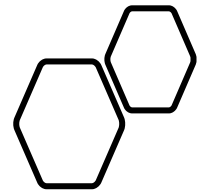

Our gardens

Educational path
with lots of plants.

School workshops

THANK YOU FOR YOUR ATTENTION!
