

CONCIENCIA SILÁBICA

INSTRUCCIONES:

Cada juego tiene un color diferente. Primero están las tarjetas respuestas, y a continuación está el cartón del bingo. Para empezar se recortarán las tarjetas respuestas, después el niño/a asociará cada pregunta con su correspondiente respuesta, colocándola encima.

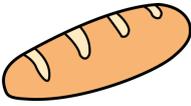

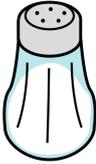

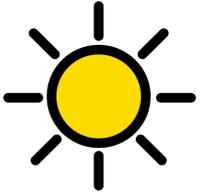

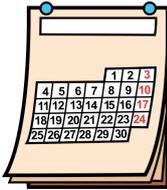

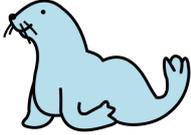

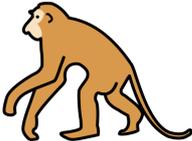

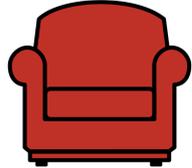

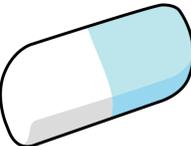

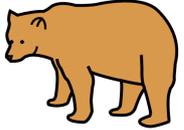

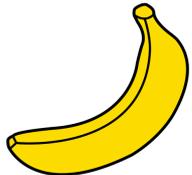

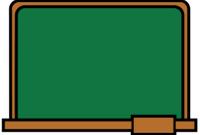

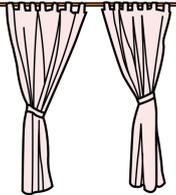

Para hacerlo más ameno, se puede jugar en parejas. Para ello pueden colocar las tarjetas boca abajo, cada jugador levantará una y la colocará en el cartón.

En el aula hemos trabajado estos ejercicios de forma oral, sin apoyo de la palabra escrita. En este caso se presenta escrito para facilitar el trabajo por parte de las familias, pero conviene realizarse de forma oral. Para ello pueden taparle las palabras y hacerles las preguntas oralmente.
