

ERASMUS+ KA229

2018/2020

ROOTS (Return Our Origins Through Sharing)

September

- Children go to local people and talk, learn about the handmade things and
- objects that they used in the past to make their life easier. They produce one
- object. Make a slowmotion movie - tutorial and exchange it with other
- Partners on **BLOG**
- **Each country prepares one object.**

October

- E-Twinning project: Cultural and seasonal differences and similarities in the past and the present - AUTUMN
- Partners post their presentations of comparison the traditions in the past and present for the particular season. How people spent autumn, what they did, how they prepared for winter, what they celebrated and what people do now, if they don't celebrate it... Presentations are uploaded on E-Twinning.
- **Each partner uploads it in eTwinning. If there are difficulties send material to Poland.**

November

- Exchange of the tutorial for handmade product and trying to make it on their own. **BLOG** Children look at the tutorial and make the objects according to the partners' instructions.

December

- Children investigate the cultural inheritance (stories, myths, fairy tales, movies) that were part of the lives of the elderly generation. They make presentations.
- **Put it on the website. Send to Italy or by password Serena sent on messenger.**
- **ALSO other activities that you do, put them on the website with short description.**

January

- Finishing the task about inheritance from December- presenting different
- myths, stories, cartoons, films.
- **Finland meeting: 24 January – 28 January**
- **Project plan,**
- **Planning Olympic games in Greece**
- **Think about new project (regarding the priorities EU comission sends out in December)**

February

- Children investigate the games their parents, grandparents played when they
- were children. They try them out. **Put them on Website**

March

- Finishing the task from February, trying out the games the grandparents and
- parents played.

April

- Children prepare for the Olympics meeting in Greece. They also investigate
- the meaning, history of Olympic games.

May

- Olympic games in Greece 17 May – 21 May 2020
- Meeting with children

-
- E-Twinning project: Cultural and seasonal differences and similarities in the
 - past and the present - SUMMER
 - Partners post their presentations of comparison the traditions in the past and
 - present for the particular season. How people spent summer, what they did,
 - what they celebrated and what people do now, if they don't celebrate it.
 - Presentations are uploaded on E-Twinning.
 -

-
- **Presenting** the meeting in Thessaloniki and all the other project work for the parents and other visitors of the school.
 -
 - Each schools hands out the same **questionnaire** as in the first year with some additional questions about the local traditions and about spending their free time. Each school makes an analysis of the results and presents them at the final staff event in Finland.

June

- Finishing the project tasks.
- Final report.

other

- **Fill in the mobility tool**
- **Any additional activities can be put on the website and send me the information, so I can put it in the report.**
