Previous experiences from conversation assistants	<p>Ruby, ELA 22/23:</p> <p>I really enjoy working at Colegio Miragenil – the staff and students are so friendly and the school is quite small so it is great to get to know everyone. Puente Genil is an interesting place with lots of traditions and a friendly community. It is also easy to travel to other places in Andalucía. I have enjoyed the experience of living here rather than in a big city – it is a very unique experience that has improved my Spanish a lot.</p>
