<p><b>Accommodation</b></p> <ul style="list-style-type: none"><li>- Where to live in town?</li><li>- Possibility of staying with a family?</li><li>- Possibility of sharing a flat with teachers?</li></ul>	<p>The neighborhood of Las Salinas, which is where the school is located, is a good area to live in and there are many flats for rent during the school year.</p> <p>So far, no language assistant has lived with families from the school, but it is true that there are teachers who have accommodation in which the language assistants can live. As we have said before, this is a big school and each year new teachers arrive with unknown circumstances. If you are interested in knowing if a teacher offers accommodation during the school year, you can contact the school, either by calling the telephone numbers indicated at the beginning of the form or by writing to the email provided above. You can also contact this email <a href="mailto:posidoniaka1@gmail.com">posidoniaka1@gmail.com</a></p> <p>There is a Facebook group where you can find accommodation.
