

## THE AMAZON RAINFOREST (PUPIL'S BOOK page 69)

It's hot and humid in the Amazon rainforest and there are a lot of tall trees. The Amazon River runs through the rainforest. It's very long. A lot of animals live in the rainforest and the river.

These birds have got very long tails. They live in the trees. They are pretty colours. They make a lot of noise. (parrot)

These animals have got short necks. They live next to the river. They eat leaves and fruit. They love bananas. (tapir)

These birds are very small. They drink nectar from flowers. They like red, orange and yellow flowers. (hummingbirds)

These big spiders have got long legs. They live in holes in the ground. They can eat a bird or a mouse. (giant tarantula)
