

## **WEEK 25th-29th MAY**

**Wednesday 27th May**

### **ACTIVITY 1: READING**

#### **COOL APPs**

Vais a leer información sobre tres aplicaciones, reales (existen en internet) para diferentes actividades. A continuación daréis respuesta a unas definiciones.

**With these apps you can download any hobby!!!**

#### **ORIGAMI**

Origami is an old paper-folding craft. The app tells you how to make birds, flowers, animals and many other things. First, choose what to want to make. Then watch the video to help you create a piece of origami.

#### **SKY GUIDE**

This is a great app!! Hold your tablet or phone up to sky and it tells you the names of the different stars. This app also tells you a lot of information about the different planet in the Solar system.

#### **VIDEO EDITOR**

We often use our tablets and phones to take videos. This app helps you to edit your videos and make them look great. You can add your voice, music and different kinds of sounds. Use the app to upload videos to your social media site.

**Do you want to find a new hobby? Go online, type in what you are good at and you can find a list of hobbies.**

**ACTIVITY 2: Match the definitions with the words: download, online, upload, social media, apps.**

Vais a completar las definiciones que os escribo, con las palabras que he puesto en el enunciado.

1. You can \_\_\_\_\_ music, films and books from the internet to your phone.
