2nd ACTIVITY

because /but /and

La 1ª palabra nos aclara, confirma el motivo de una afirmación: **because** (porque)**. Ejemplo:** I like my friend because she is kind.

La 2ª palabra aclara un motivo por el cuál no confirmo del todo que esa persona tiene una "buena" o "no tan buena" cualidad: **but** (pero).
Ejemplo: He is lazy at home but he is hard working at school.

La 3ª palabra añade una cualidad más, de la clase que sea: **and** (y).

Ejemplo: She is smart and nice.

Choose the correct word (tienes que elegir una de las dos que está en negrita).

- I like my new teacher **because/but** he isn't bossy.
- He is sporty **and/but** smart. A perfect combination!!!
- My best friend is friendly **and/but** funny. She makes me laugh.
- She gets good grades **because / but** she is very hard working.
- He is lazy at home **but/ and** he is hard working in class.
- He has got a lot of friend **because / but** he is very talkative.
