1 **Quick Quiz** Watch and do the Quick quiz. Discuss.

Can you put your date of birth online? No, you can't. It isn't safe to put your date of birth online.

2 **Read and listen.** What can you use instead of a photo?

Keeping safe online

The internet is a great way to keep in touch with friends and family. It's important to stay safe online, too.

MY PROFILE **profile**

Username: Bouncing Basketball
Age: 11
Location: UK

You can write information about yourself in your profile. You can add your username, your age and your country.

MY FRIENDS

Noisy Drum
Silver Rabbit

Use an avatar or maybe a photo of your pet. And only contact people you know in real life.

blog

I played basketball today. We won! The golden trophy is ours!

You can write about your day in your blog. Always ask an adult before putting photos of you or your friends in your gallery or on your blog.

MUSIC CHAT **chat room**

Noisy Drum: Do you like my new song?
Silver Rabbit: Yes, it's great! Do you like mine?
Noisy Drum: I don't like it, I LOVE IT!

You can write instant messages to your friends in your chat room. Be nice to other people on the internet.

report button

Are you worried about something on the internet? Use the report button and tell an adult.

Never put your real name, date of birth, address or school. Never put your phone number or email address. Your real friends know them already.
