In addition, the assistants will contribute information about their culture and their country to the entire Educational Community, promoting oral skills in students and being able to participate in all the activities carried out at the center.</p>

Information about the town and/or neighborhood	<p>Barrio San Vicente is a neighborhood very close to the capital from Almería, approximately 9.7 km. It has good communications. The airport is 1.7 km from the school and 8 km from the capital. The center is a single line. Most students' families work in agriculture, mainly in greenhouses.</p> <p>What can the town/neighborhood offer a Language Assistant?</p> <p>In the town of El Alquíán, very close to the neighborhood, which is located 2 km from the school, you can find all kinds of services (Hostel, supermarkets, health center, bank, library, bars, restaurant, the beach...) and good communication with the capital.</p> <p>Public transport schedules.. https://siu.ctal.es/es/horarios_lineas_tabla.php?linea=6</p>

This can be discussed with the Language Assistant when they join the school.</p> <p>The Sur Bus app will show you estimated arrival times and bus routes to plan your journeys. Bus journeys cost 1.05€ each way. https://www.surbusalmeria.es</p>

Accommodation	
Where to live in town?	<p>You can live in Almería, Retamar or El Alquíán. Former language assistants have lived in Zapillo (Almería), as they prefer to live in the city. If you prefer to live in a town, Retamar or El Alquíán is better suited but note that public transport links may be limited.</p> <p>It is advisable to search for information on websites such as Fotocasa, Idealista and Facebook groups such as „Erasmus Almería Accommodation“ and “Auxiliares de Conversación en Almería”. Idealista is useful if you are looking for a long term rental (e.g one year and above). It is advisable to utilize the aforementioned Facebook groups if you are looking for short term rentals or are a student.</p>
Possibility of staying with a family?	<p>It would be good to give the school community the opportunity to welcome the assistant into the family in convenient conditions for both the assistant and the family. However note that this is an unlikely option as the school has no previous experience of this.</p>
Possibility of sharing a flat with teachers?	<p>If this is something the language assistant is interested in, they should let their coordinator know as they can contact other teachers interested in sharing a flat.</p>
