mi cara, parece que
estoy enfermo**

@susanaalbances

**Conquisto los mares
usando mi espada. ¡Te
robaré tus tesoros!**

@derechoavolar

Trabalenguas

La bruja Piruja
prepara un brebaje
con cera de abejas,
dos dientes de ajo,
cuatro lentejas y pelos
de pura abeja.

La araña con maña
amaña la laña. La
araña con maña teje la
telaraña. La araña con
maña es una tacaña.

No me mires que miran
que nos miramos.
Miremos la manera de
no mirarnos. Mira: no
nos miremos. Y cuando
no nos miren, nos
miraremos.

El gato, ¡qué espanto!
Para ta para to. Tiene
un zapato para ta para
to. ¿Hacemos un trato?
Para ta para to.
