

DISCOVERING EUROPE PROJECT

STEPS FOR YOUR PRESENTATION

1. Choose a country in Europe.
2. Research time (search on the Internet about the country you chose).
3. Choose the points you would like to focus on (basic details, main cities, landmarks, culture, customs, festivities, education, politics, nature, geography, famous writers/actors, bands, etc.).
4. Choose the digital programme you are going to use (Power Point, Genially, Prezi, etc.).
5. Write a draft.
6. Look for images you consider important (maps, photos ...). You can also add videos, music, sounds, ... even you can record your own voice...obviously, in English.
7. Organise the information according to the points below.
