WORKING WITH DIALOGUES

3  02/30

Millie: Let's go out this week.

Aaron: That's a great idea! There's a new pub in the centre of town. Why don't we have a drink?

Millie: OK! Is Tuesday good for you?

Aaron: I'm afraid not. I study on Tuesday evenings.

Millie: OK. Are you free on Monday?

Aaron: Yes. I finish work at six o'clock. When do you want to meet?

Millie: Is half past six OK?

Aaron: Yes. That's great.

Millie: See you then.

Jason: Good morning, and welcome to *Celebrity World*. With us today is Charlotte Morton. She is an expert on today's celebrities. Charlotte – what is the morning routine for some of our celebrities?
Charlotte: Well, Jason, it's different for each person. But let's start with some famous women. They all get up very early. Kim Kardashian, for example, gets up at six o'clock in the morning. She does sport and then listens to music. Another very famous celebrity, Oprah Winfrey, gets up before Kim. She gets up between half past five and six o'clock in the morning.
Jason: That *is* early! What does she do after that?
Charlotte: She goes to the gym for an hour, and then goes to work. At half past eleven, she drinks some special juice and then starts work again. But listen to this: Jennifer Aniston gets up at half past four in the morning!
Jason: Really? Half past four?
Charlotte: Yes. She gets up at half past four in the morning, drinks water with lemon and then she exercises.
Jason: Wow! Those women are very energetic!
