

Ordinal Numbers (1st–30th) – Explicación breve

Los **números ordinales** se usan para indicar **posición u orden** (primero, segundo, tercero, etc.).

Se forman normalmente añadiendo **-th** al número:

four → **fourth**

ten → **tenth**

Pero hay algunos **irregulares** importantes:

1st – first

2nd – second

3rd – third

Otros ejemplos:

5th – fifth

9th – ninth

12th – twelfth

20th – twentieth

21st – twenty-first
