Information about the town and/or neighborhood	<p>-The municipal area stretches along the strip of coast which runs from the mouth of the River Guadalhorce to <u>Benalmádena</u> and, inland, as far as the slopes of the <u>Sierra de Mijas</u>. Though it appears to have been founded in 1489, Torremolinos is a typical product of the tourist boom of the 1960"s, which turned this small fishing village into a large, densely-populated town devoted entirely to sun and sand tourism, boasting large beaches and all manner of related facilities; it is also home to a Congress Centre which has played host to important international conventions on numerous occasions.</p> <p>Brief information about the town. It can be linked to a promotional tourist video.</p> <p>- What can the town/neighborhood offer a Language Assistant? Leisure, reading clubs, cinema clubs, language exchange, council/district courses, sports clubs, hiking trails, nature, culture, gastronomy... It would be good to offer the local networks to the language assistant and facilitate his/her integration into them. You can put a link to a page on the school's website so that this table does not become very extensive.</p> <p>For more extensive info about Torremolinos click here: https://www.andalucia.org/en/torremolinos</p> <p>Discover Málaga in this video. https://www.youtube.com/watch?v=2FAiaUAlzVY</p>

Previous Experiences with Language Assistants	<p>Our last assistant, Shannon, spent one fabulous year in our school.</p> <p>She really did a great job getting our students into the Canadian culture and costumes. We are glad to have her with us and hope she could continue next year as well.</p> <p>http://alinguistico.blogspot.com/2021/05/despedita-de-</p>
