Getting to school	- Public transport schedules: https://siu.ctal.es/es/horarios.php - Possibility of car-pooling with other teachers: many of the teachers and language assistants working in Adra choose to live here rather than in the nearby towns. There is a possibility of car-pooling, but that really depends on the teachers assigned to our school each year. There are transport connections from other towns but, as of today, they are not convenient considering the school's schedule.
