	<table><tr><td colspan="2">20</td></tr><tr><td>**LE**</td><td>Sevilla Este - Prado de San Sebastián</td></tr></table> ● Línea LE. En septiembre de 2017 comenzó a funcionar una nueva línea de Tussam, que conecta Sevilla Este con el Prado de San Sebastián, tiene la finalidad de acortar la duración del tiempo necesario para acceder al centro de la ciudad. El horario previsto es de lunes a viernes de 7 de la mañana a 10 de la noche. El inicio de la línea se ubica en Residencial Andalucía y el trayecto pasa por Avenida de las Ciencias, Alcalde Luis Uruñuela (Las Góndolas), Los Arcos, Gran Plaza, Nervión y San Bernardo. La duración prevista del recorrido es de 32 minutos. La frecuencia de paso es cada 8 minutos en hora punta y cada 10 minutos el resto del día.[21] - Possibility of a ride share with other teachers, if possible, it depends on availability for the next course.
Accommodation **- Where to live in town?** **- Possibility of staying with a family?** **- Possibility of sharing a flat with other teachers or language assistants?**	-Accommodation is a topic that depends largely on each assistant´s choice, as every person has different priorities. The school is about a 30–35-minute drive by bus to the town centre. You might prefer to live in the area and save on transport for the school or you might prefer to live in the town centre even though you will have to take the bus there and back. It is a very personal choice, with its pros and cons. Should you need further advice, please get in contact with the bilingual coordinator and we will try to help you decide which option is best for you.
Contact with other language assistants or mentor	- This course we have an assistant, V.T., from **The USA,** who has indicated to us that she is willing to help future assistants with any questions you may need to ask. If you are accepted into the school, we will be happy to provide you with her email address.
