

# PROJECT: BUILD AN ISLAND

1. Choose a body of water for your island.

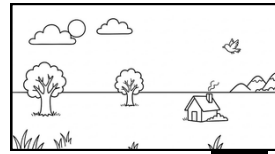

river

lake

2. Choose a landform for your island.

plain

mountain

3. Choose 2 things you can see in a coastal landscape.

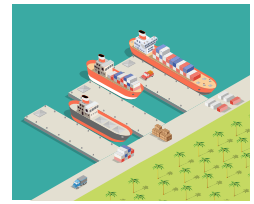

bay

peninsula

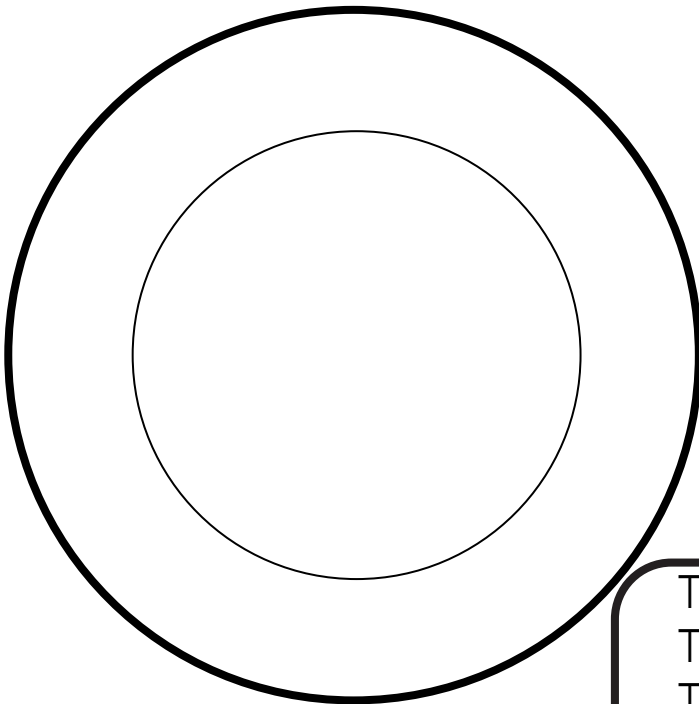

beach

port

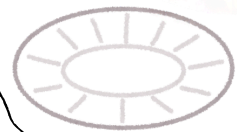

4. Design your island.

5. Build your island.

You need:

- a paper plate
- plasticine

6. Present your island.

This is my island.  
There is a lake.  
There is a beach.  
There are some mountains.
