

1 Read and listen. 39 Read the sentences and say *True* or *False*.

- The scientists used computers.
- The musicians played pop music.
- The students didn't listen to their teachers.

1 We were at the college yesterday. There was a security guard at the entrance. There was a tour guide, too. She smiled a lot and talked to us about the college.

2 We watched the scientists. They used lots of computers.

3 It wasn't quiet in the music room. There was an orchestra. The musicians played for us. They didn't play pop music! They played classical music.

4 It was quiet in the classrooms. The students listened to their teachers.

5 We didn't talk in the library. We looked at the old books. The librarian was nice.

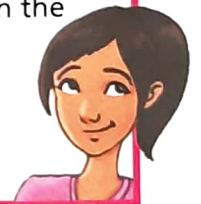

2 Read and learn. Say the missing words from Activity 1.

| Present simple (affirmative & negative) | Past simple (affirmative & negative) |
|--|---|
| She smiles a lot. We don't talk a lot. They play classical music. | She smiled a lot. We didn't talk a lot. They played classical music. |
| The tour guide ... to us. We ... the scientists. They ... pop music. | The tour guide ... to us. We ... the scientists. They ... pop music. |

True or false?

The past simple form = infinitive + -ed in the affirmative, and *didn't* + infinitive in the negative. Is this correct?

3 Play the game.

| Anouk | | 1 hour | 2 hours | X |
|--------------|--|----------|----------|----------|
| Tara | | X | 2 hours | 1 hour |
| Ben | | 1 hour | X | 1 hour |
| Dex | | 1 hour | 1 hour | X |

After the tour she arrived home at six o'clock and she listened to music. She watched TV for two hours. She didn't use the Internet.

I know! It's Anouk!

Yes! Your turn.
