¿SABÉIS LO QUE ES EL SWING?

SWING MUSIC, SWING JAZZ OR JUST SWING

It is a style of jazz that developed in the United States during the late 1920s.

There is
a **rhythm section** consisting of **piano, bass and drums**,
a brass section with trumpets and trombones,
and a **wind section** with **saxophones and clarinets**,
and, very occasionally, string instruments, such as the
violin and the guitar

Let's see how it works!
