

Technology & Conditionals

3º ESO Bilingual
Technology

Would you buy an intelligent toilet?

Why or why not?

<https://www.youtube.com/watch?v=Qylq3OJvXuA&t=30s>

Would your best friend buy a
human body with a robotic brain?

Why or why not?

<https://www.dailymail.co.uk/video/sciencetech/video-1605568/Netflixs-bizarre-Psychasec-CES-booth-features-lifeless-bodies.html>

Would you and your family buy a
robotic pillow that breathes?

Why or why not?

Create Your Own Weird Technology

In pairs, imagine a new, weird technology for daily life.

Give it a name and a price.

Let's cool down:

Flubber

Disney+

Professor Philip Brainard creates
Flubber and tests its physical
properties. How many can you name?

<https://www.youtube.com/watch?v=y3PNYIRP2ro>

Flubber. Directed by Les Mayfield, performances by Robin Williams, 1997.
