Collaboration subjects/modules of the Language Assistant	<p>Geography and History</p> <p>Mathematics</p> <p>Physical Education</p> <p>English language class</p>
Information about the town and/or neighborhood	<p>- Palos is a town of 12000 inhabitants next to the South west coast of Spain, the weather is mild, so we'll be able to enjoy open air activities most of the year and especially our beautiful beaches (15 minutes by car from Palos).</p> <p>Palos is close to Huelva, the capital city, where there are transport facilities. There is a bus stop next to our school where buses take you to Huelva every hour. However, due to last year restrictions and schedule changes, sometimes you may not find a bus to reach school on time, so we recommend finding accommodation in our town early in advance, to avoid problems (you can always find how to get to the capital city to enjoy after school).</p>

	<p>Besides we are 1 hour by motorway from Seville, so our area is an attractive spot to live in. The capital city counts on a bus station and a train station.</p> <p>Palos lives mostly in agriculture (berries) and industry (chemical and petroleum industry) so we receive workers from different parts of Spain and from different nationalities, therefore our students are diverse and you can hear different languages in our school.</p> <p>The town is proud of its history due to its connection to Columbus and the Era of Discoveries. Columbus' first trip set sail from our town, so you can visit here the monuments and heritage sites linked to this historical event.</p> <p>Palos de la Frontera town council web page: https://palosfrontera.com/</p> <p>IES Carabelas web page and social media: https://blogsaverroes.juntadeandalucia.es/webcarabelas/ https://www.facebook.com/ies.carabelas.palosdelafrontera https://instagram.com/iescarabelas?igshid=YmMyMTA2M2Y=</p> <p>The Monastery of La Rábida area, a historical heritage site, is a must see. There you can visit the Monastery, the 3 Caravels dock area museum (with the 3 vessels replicas) or the botanical park Celestino Mutis: https://www.google.com/maps/place/La+R%C3%A1bida,+Huelva/@37.209151,-6.9280338,15z/data=!3m1!4b1!4m5!3m4!1s0xd11da76414fd9d7:0xd9d677ef8ec3bf8b!8m2!3d37.2088351!4d-6.9195717</p> <p>A few km from Palos, we have the beautiful beaches of Mazagón, where you can enjoy the sun and the sea, as well as hiking or cycling in a magnificent natural area: https://turismomazagon.com/</p> <p>Apart from that, the neighboring area holds other spots of high touristic, cultural and historical interest, such as Moguer, Niebla, el Rocío: http://www.turismohuelva.org/inicio/</p>
--	--

<p>Getting to school</p>	<p>- Public transport schedules: Bus: https://damas-sa.es/ Trains (only to get to Huelva): https://www.renfe.com/es/es/experiencias/escapate-en-tren/huelva - Possibility of car-pooling with other teachers, teachers usually get organized once the school year starts, since most of them arrive in September (that's the moment when they receive the schedule for the new school year).</p>
<p>Accommodation</p> <p>- Where to live in town?</p>	<p>- We recommend fixing accommodation issues in advance, since the offer of flats to rent or share in town is not too big. https://www.milanuncios.com/pisos-compartidos-en-palos-de-la-frontera-huelva/zona-de-los-principes-barriada-cruz-440816890.htm</p>
